

ARDSLEY PUBLIC LIBRARY PRESENTS

PROGRAMS

The Long Haul

Ages K-5th grade

7/29 from 3-3:30 pm

Many people throughout the world have to carry large amounts of water to their homes for everyday use. Children will participate in a water-hauling trivia game. Includes a read-a-loud.

The Blue Planet

Ages K-5th grade

8/5 from 1-1:30 pm

Children will learn about the water on earth and create a water conservation poster to hang at home.

H₂O Olympics

Ages 3rd-6th grade

8/13 from 1-1:30 pm

Children will explore the structure and behavior of a water molecule and be given instructions for water experiments that can be done at home.
